3 July 1969

Mr. J. Patrick Coyne
Executive Secretary
The President's Foreign Intelligence
Advisory Board
Room 297
Executive Office Building

Dear Pat:

Today's CIB carries an item on a test firing of what appears to be a new strategic weapon system. The CIA Office of Strategic Research has prepared some supplemental material on this missile (named the PL-1). No doubt General Taylor and other Board members will be interested in the additional data, a copy of which is attached.

Sincerely,

25X1
